Friday, 19 April 2024

Dear Parents,

We have had a really busy and productive week. The most important news for the children was that we finally managed to get back onto the school field for the first time in months! The excitement was a joy to see.

Amazing news from the Eco club on their well-deserved award. A huge thank you to all of the school for contributing to making us such a sustainable school. A very busy week next week culminating in the PTA race night ball.

Kind regards

Mr Jenkins

## Congratulations Eco Club!

Big congratulations to our Eco Club who this week were awarded their Bronze and Silver Eco-School Award with Swansea Council! Don't forget the eco club have their very own recycle centre in our school foyer, where you can recycle batteries, bread bags, crisp packets and toothpaste containers. We also have our second hand school uniform clothes rail for you to help yourself to. While here Mr Blunt also gave a talk to the children about litter free schools and the impact of litter on the oceans.

## Rec/Y1 & Y2/3 Caterpillars

Big thank you to Oliver who following on from last week's topic launch has purchased these two classes their very own caterpillar to butterfly kits! The children have loved the arrival of their caterpillars.

## School Buses

Please remember that if you are going to change your child's drop off/pick up location you must inform the school preferably the day before so we can notify the drivers. If your child is having a playdate you need to check beforehand with the driver if there will be sufficient seats on the bus.

## PC Craig

Big thank you to PC Craig who came in this week to discuss stranger danger with the Year 4's

## Attendance!

Swansea Target is **93%**. This week we achieved **95.4%**.

Y5/6 won with 99.2%!
