

Knelston Primary School

School PDG Statement of Intent

The Pupil Development Grant (PDG) is allocated to schools with pupils who come from low-income families and are currently known to be eligible for free school meals (e-FSM). As a school we have agreed the following three steps:

Schools are expected to make the best use of this funding to implement sustainable strategies that will quickly bring about changes for learners eligible for free school meals or who are LAC.

1. To identify the target group of pupils, its characteristics and needs
2. To plan interventions which make the most effective use of resources
3. To monitor and evaluate the impact of resources

Knelston Primary School is provided with a PDG allocation of £3,450.

At Knelston School we have a comprehensive plan to promote progress and remove barriers to learning for students eligible for this funding.

We will use the funding available to:

- Enhance teaching and learning by providing catch up programme of support - provide intervention and support programmes that are proven to have the greatest impact and to be sustainable- catch up
- Implement and use data tracking systems to identify learners' needs, target interventions and monitor impact.
- Work in partnership with cluster schools and Partneriaeth to access support

Our detailed plan which includes details in respect to how we're spending the grant is available on request.
