Friday, 24 November 2023

Dear Parent,

We have had another busy and very productive week. Mr Donovan's class started a small project to make animations about the history of Gower. We also had an eco-club assembly to introduce our new reusable glue sticks to do our part in reducing the 48million glue sticks that end up in landfill every year in UK! Well done to our girl's football team and rugby team who competed really well in recent tournaments. Please remember to let the governors have your views on the Federation proposal by completing the response form.
